Accreditation Statement
The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 16.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.
Dear Healthcare Professional,

I am pleased to present you with the conference programme for the 6th Middle East Paediatrics Conference, taking place on 28-30 January 2013 at the Dubai International Convention and Exhibition Center.

Sponsored by Cleveland Clinic, the 6th Middle East Paediatrics Conference is part of the Arab Health Congress, the world's largest CME accredited multi-track medical congress. Furthermore, it is one of a handful of events in the region to offer Continuing Medical Education (CME) to attending medical professionals via its scientific exchange.

The 2013 conference programme aims to provide a wide range of fresh topics tailored just for you. Some of the new topics we are looking at include: Immunology and Rheumatology, Nutrition, Endocrinology and Radiology. With an expert speaker faculty the three day agenda will feature a combination of state of the art lectures, debate presentations, short talks and discussions. As the field of Paediatrics is quite diverse, the topics will be presented in a detailed, yet compressed manner, making sure that the latest advances and developments are highlighted.

The Conference Chairs, Dr. Jaishen Rajah, Dr. Neil Friedman and I are honored to offer you this important CME accredited scientific meeting and we look forward to welcoming you to this major educational event.

Regards,

Ayla Iqbal
